What is Learning Express Library?

Learning Express Library is a comprehensive, interactive online learning platform of practice tests and tutorial course series designed to help its users succeed on academic or licensing tests. Includes scoring, complete answer explanations, and individualized analyses of results. Includes practice tests and review materials for many graduate school entrance exams (GRE, GMAT, LSAT, MAT, MCAT, PCAT, etc.) and many professional exams for occupations such as teaching, allied health, nursing, firefighting, homeland security, law enforcement, and others. Also use it to review basic math, reading, writing, and speaking skills.
How do I access Learning Express Library?

2. Click on the Articles tab.
3. Select “All Databases” from the list of links directly below the search box.
4. Type “Learning Express Library” into the search box at the top of the list that appears on the next page, then click the link for Learning Express Library:
Logging in:

1. After clicking on the link to Learning Express Library, you will be prompted to log in using your EKU username and password:

2. Next, in order to take the practice tests and access other Learning Express Library materials, **all users need to register for a free personal account with Learning Express Library**. This allows the database to create a personal portfolio for you, where you can save, keep track of, and access your tests and scores.

To create an account, find the “Sign in to Your Account” box at the bottom right-hand corner of the Learning Express Library home screen, click **Register**, and follow the prompts.
**Please Note:** You only need to register one time for your personal account in Learning Express Library. However, each time you access Learning Express Library thereafter, you will need to log in twice – first with your EKU username and password, and then again inside Learning Express Library with your personal account.

Navigating the database:

1. To search for materials related to a specific test or topic, simply use the search box at the bottom of the screen to find what you are looking for.

2. To explore the database, you may want to browse Learning Express Library’s Centers, which organize resources by particular themes (the College Center, the Career Center, and the Adult Learning Center). To browse the centers, just click through the icons in the middle of Learning Express Library’s home screen:
Keeping track of your tests and scores:

1. To keep track of your tests and scores and to see a listing of all the materials you have used in Learning Express Library, visit My Center in the top right-hand corner of the home screen (please note: you must be logged into Learning Express Library to access this feature).
